Reminder: Update Vaccines/Immunizations Reimbursement

---

Preferred Administrators has identified an issue that affects claims submitted for some immunizations. The issue affects the codes for immunizations listed below that were denied and request for invoice. Providers will receive a flat reimbursement rate for the following codes:

90647	\$28.05	90649	\$253.60	90655	\$28.44
90697	\$139.82	90657	\$28.44	90696	\$57.22
90698	\$106.18	90700	\$34.15	90701	\$34.15

System updates have been completed and claims affected effective 12/01/2021 to present will be reprocessed.

Vaccines codes **90378 RSV** and **90384 Rhogam** will require a purchase order or invoice when billed to Preferred Administrators.
